

Chex® Party Mix-Change

Packaging Ideas

Cello Gorgeous!

Packaging your favorite Chex® Party Mix recipes in cellophane bags is simple and cute. And, they're endlessly customizable to add personal touches. Clothespins, stickers, rickrack, twine, ribbon or decorative tape also can be used to secure the bags.

It's My Party

Flip a party hat upside down, line it with cellophane and it instantly becomes a festive cone-shaped container. Party hats can be purchased or they can be made using colorful sheets of construction paper, holiday gift wrap or paper placemats.

Chex® Cupcakes

Arrange cupcake liners filled with Chex® Party Mixes neatly in a box. Try using a box with a window to give a peek at the goodies inside. Decorate the outside of the box with printed paper and wrap ribbon around it to add some flair.

Chex®-To-Go

Packaging Chex® Party Mix recipes in a takeout container is quick and easy to "carry out." Just fill them with Chex® Party Mixes and they're ready to go! To jazz up the look, add stickers or bows to the boxes.

Tin Tower

Tin is "in" when it comes to creating a hip holiday container for Chex® Party Mix. Discover oodles of holiday tins at craft or dollar stores or visit consignment stores to find unique or vintage tins. Line tins and use bows or ribbon to finish them off.
